Presents the 2019 Peg Kerwin Lecture

We are privileged to have as our speaker

**Dr. Adil Haider**

An accomplished trauma and acute care surgeon, Dr Haider has also been recognized for his work in the area of disparities in access to life-saving surgery. In 2017 he was awarded the Ellis Island Medal of Honor.

He is regarded as one of the foremost experts on healthcare inequities in the United States with projects focused on describing and mitigating unequal outcomes based on gender, race, sexual orientation, ethnicity, age and socioeconomic status.

**“New” Americans and their “Old” Countries  
should the cord be cut?**
